

Goodrop

Your shipping assistant

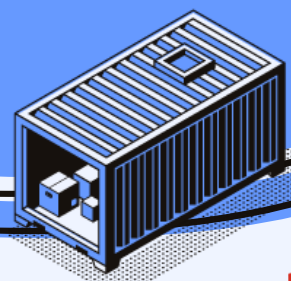

A technology built by tech pioneers for proficient operators, to drive productivity & connect. Made by operators for operators.

Goodrop aims to disrupt a 4 trillion-dollar industry. We are innovating and challenging the global trade by bringing you a seamless, cutting edge technology, that will forever change the way you manage operations.

Goodrop streamlines and assists you in managing your shipping containers in a way you have never experienced before. Our strong knowledge in the trade & shipping industry allows us to deliver a seamless platform for all: whether you are a trader, broker, factory, bank, forwarder or any other key player within the supply chain.

Save time and resources to grow your business to levels you have never imagined. Allow us to empower you and show you how flawless your work could be, you'll never want to drop Goodrop.

Swiss  Made

The best way to organise & track your shipments in one platform

1 Store & Organise
All your shipment details organised and stored neatly. So you can have access to any information anytime, anywhere, 24/7.

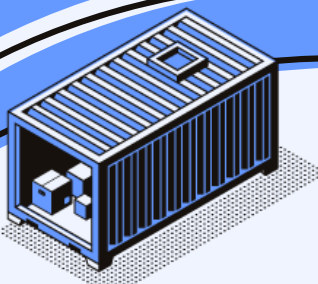

2 Auto-Tracking
Enable GoTrack, and let our technology track your shipments for you. Stop wasting time tracking your BL or shipping containers.

3 Get notified
Receive notifications with updates and important information about your shipments' status.

4 Connect & Collaborate
Enter a world of shipping, where you can share and engage with anyone.

Go to goodrop.ch & sign up!

We will walk you through all the necessary steps and get you going in a minute!
